Collingwood Insurance
Private Car Insurance for Learner Drivers
Motor Insurance Policy

Important:

- This policy is only designed to provide cover whilst you are learning to drive
- You must notify us immediately when you pass your driving test
- Your failure to inform us when you pass your driving test will mean that cover is not valid and you risk prosecution for driving without insurance
- An additional driver may only be added to this policy if you are the registered keeper / owner of the vehicle insured under this policy
- If an additional driver is named on your Certificate of Motor Insurance, then they must also own or privately lease another vehicle. The additional driver must also have and maintain in force an insurance policy to drive that other vehicle at all times whilst being named on your policy
- Learner drivers must be supervised by a family member or friend who is at least 21 years old and has held a full UK/EU driving licence of the type applicable to the vehicle (manual or automatic) for at least 3 years and who is sat in the front passenger seat and is not banned from driving
- The car covered by this policy must be fitted with L plates (or D plates in Wales) on both the front and back. It must be taxed, have a valid MOT (if required), be safe to drive and be registered with the DVLA. The learner can take their driving test in the same car they have been practicing in, as long as it meets the necessary requirements

What to do in the event of an accident

Regardless of blame these measures will help to protect you.

Stop as soon as possible, in a safe place. If anybody has been injured, call the police and ambulance service. If **you** have a warning triangle, place it well before the obstruction.

It is worth keeping a pen and paper in **your** car, **you** can then make a quick sketch of the direction and final position of each vehicle. Write down the name, address and vehicle registration number of the other driver(s). It is also important to make a note of the name of the road where the accident happened and the time when it happened. Please also make a note of the number of passengers in each vehicle. If the police attend the scene please write down the officer's name, number and police force. If **you** have a mobile phone with **you** and it is fitted with a camera, try and take photographs to support the positions of the vehicles and the extent of damage.

If anybody has been injured **you** should obtain the insurance details of all drivers and **you** must give **your** own insurance details to anyone who has reasonable grounds for requesting them. It is most important to obtain details of all witnesses.

Do not admit responsibility, either verbally or in writing.

If for any reason **you** have not been able to exchange details with other drivers, or **you** were in collision with an animal, **you** must report the incident to the police as soon as possible and certainly within 24 hours.

Call the 24 hour Claims Helpline – Telephone 0345 3700 008

After any accident or incident telephone our 24 hour claims helpline as quickly as possible. This is regardless of whether you wish to make a claim under the policy. Delay in notifying us of an incident may increase claim costs, which you will become liable to pay. It may also invalidate your right to claim. Quote your policy number and give all the information about the incident. If your claim is due to theft, attempted theft or vandalism you must also inform the Police and obtain a crime reference number.

The benefits you receive will depend on the level of policy cover **you** selected but can include the following (*whilst using **our Approved repairer**):

- FREE courtesy car while **your** car is being repaired*
- Windscreen repair/replacement
- FREE collection and re-delivery*
- FREE car cleaning service*
- Repairers' work guaranteed for five years

We will deal with **your** claim and claims made against **you** as quickly and fairly as possible. Please read the General Conditions in this policy document. For **our** joint protection telephone calls may be recorded and monitored by **us** and **our** service providers.

Important customer information

Notification of changes which may affect your insurance – keeping us updated

You should keep a complete record of all information (including copies of letters) supplied to **us** in taking out this insurance.

So that **you** understand what **you** are covered for, please read this policy, the **Schedule** (which may make reference to **Endorsements**) and the **Certificate of Motor Insurance** very carefully. **You** should pay special attention to the general exceptions and general conditions of this policy.

If **you** have any questions, or the cover does not meet **your** needs or any of the details are incorrect **you** should notify **us** immediately via **your Insurance intermediary**. To keep **your** insurance up to date please tell **us** straight away via **your Insurance intermediary** about any changes which may affect **your** cover.

Some examples are:

- **You** pass **your** driving test.
- A change of car, or **you** purchase another car to which **you** want cover to apply.
- **You** wish a new driver to be covered.
- Either **you** or anyone covered by this policy receives a motoring conviction, has a pending prosecution, suffers from a medical condition or has an accident (regardless of whether a claim has been made or it occurs under a different policy)
- The car is changed or modified from the manufacturer's standard specification or **you** intend to change or modify it (including the addition of optional-fit accessories such as spoilers, skirts, alloy wheels, etc).
- A change of occupation (full or part-time) by **you** or any other driver.
- A change of address or where the car is normally kept.
- A change in the use of the car.
- The car is involved in an accident no matter how trivial.
- A change of the main user of the car.

This is not a full list and if **you** are in any doubt **you** should advise **your Insurance intermediary** for **your** own protection. If **you** do not tell **us** about changes, **your** insurance may not cover **you** fully or at all.

Data Protection

We are governed by the Data Protection Regulation applicable in both the United Kingdom and Gibraltar. Under this legislation **we** are required to tell **you** the following information. It explains how **we** may use **your** details and tells **you** about the systems **we** have in place that allow **us** to detect and prevent fraudulent applications for insurance policies and claims. The savings that **we** make help **us** to keep premiums and products competitive.

In order to provide **our** services, **we** will collect and use data about individuals, this means **we** are a 'data controller'.

The legal basis for processing **your** data is the performance of an insurance contract arranged between **you** and **us**. **We** are registered for the purposes of, and exercise control over, the processing of personal data, for which **we** carry specific responsibilities.

This privacy notice may be updated from time to time, the latest version can be accessed from www.collingwoodinsurancecompany.com.

Why we need your data

Insurance Administration Purposes

The personal data **we** collect will depend on **our** relationship with **you**. For example, **we** will collect and hold more detailed information about **you** if **you** become a customer than if **you** simply receive a quote. Certain types of personal data are considered to be "special categories of data" due to their more sensitive nature. Sometimes **we** will ask for or obtain special categories of information because it is relevant to **your** insurance policy or claim.

Where **we** refer to personal data, as set out in these notices, it is also deemed to include special category data, for example; medical conditions or convictions.

The information that **you** give **us** will be used by **us** and **your Insurance intermediary** and anybody appointed by **us** or them for the purposes of providing **you** with a quotation with a view to entering into an insurance contract, administering **your** insurance policy or a claim. It may be disclosed to reinsurers and to regulatory authorities for the purposes of administering **your** insurance policy or claim, as well as monitoring compliance with regulatory requirements.

Where this happens, **we** will ensure that anyone to whom **we** send **your** information agrees to treat it with the same level of protection as if **we** were dealing with it.

If **you** provide personal data on behalf of or about another person, **you** confirm that they have given **you** permission to give the information to **us** and **your Insurance intermediary** and that **we** and they may process it.

We and **your Insurance intermediary** may undertake checks against publicly available information (such as DVLA records for MyLicence checks, electoral roll, county court judgements, bankruptcy orders or repossessions). These checks may be made when **you** take out insurance with **us** or if **you** make a claim and the information shared with anyone acting on **our** behalf to administer **your** insurance policy or a claim (e.g. loss adjustors or investigators).

Credit Searches

To help **us** prevent fraud and to check **your** identity, **we** and **your Insurance intermediary** may search files made available to **us** by credit reference agencies, who may keep a record on that search.

How we will use your data

Underwriting Purposes

We will examine the potential risk in relation to **your** prospective or current policy (including anyone else likely to be involved, for example **your** age and the age of any other prospective drivers), so **we** can:

Private Car Insurance Policy for Learner Drivers

- consider whether to accept the relevant risk;
- make decisions about the provision and administration of insurance policies and related services for **you** (and members of **your** household or company depending on **your** policy type);
- validate **your** claims history (or the claims history of any person likely to be involved in the insurance policy or claim) at any time, including upon application for insurance, in the event of an accident or a claim, or at a time of renewal.

DVLA

This paragraph applies where **you** have agreed **we** may access Driver & Vehicle Licensing Agency 'DVLA' records:

Information will be collected from **you** to enable **us** to examine the potential risk in relation to **your** policy so **we** can provide **your** (or that of any person covered by this policy for whom **we** hold details) Driving Licence Number ("DLN") to the DVLA to confirm **your** (or that of any person covered by this policy for whom **we** hold details) licence status, entitlement and relevant restriction information, in addition to endorsement/conviction data. Searches may be carried out prior to **you** purchasing cover and, in the event **you** purchase a policy, at any point throughout the duration of **your** insurance policy including at the mid-term adjustment and renewal stage(s). A search of the DLN with the DVLA should not show a footprint against **your** (or that of any person covered by this policy for whom **we** hold details) driving licence. For details relating to personal information held about **you** by the DVLA, please visit www.dvla.gov.uk.

Motor Insurance Database

Information relating to **your** insurance policy will be added to the Motor Insurance Database ("MID") managed by the Motor Insurers' Bureau ("MIB"). The MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to, but including:

- Electronic Licensing;
- Continuous Insurance Enforcement;
- Law enforcement (prevention, detection, apprehension and or prosecution of offenders);
- The provision of government services and or other services aimed at reducing the level and incidence of uninsured driving;
- If **you** or anyone covered by this policy are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and or the MIB may search the MID to obtain relevant information;
- Persons (including his or her appointed representatives), pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds **your** correct registration number. If it is incorrectly shown on the MID **you** are at risk of having **your** vehicle seized by the Police.

You can check that **your** correct registration number details are shown on the MID at www.askmid.com. **You** should show these notices to anyone insured to drive the vehicle covered under this insurance policy.

Claims Management Purposes

In the event of a claim, **we** may need to disclose personal information with any other party involved in that claim, such as third parties involved in the incident, insurers, solicitors or representatives and medical teams (either relating to third parties or appointed by **us**), the Police or other investigators. **We** may also have to investigate **your** claims and conviction history.

Management Information Purposes

We will analyse insurance and other markets for the purposes of: risk assessment, performance reporting, portfolio assessment and management reporting.

Anti-fraud Purposes

Fraud prevention and detection

In order to prevent and detect fraud **we** may at any time:

- Share information about **you** with other organisations and public bodies including the Police; and/or
- Undertake credit searches and additional fraud searches; and/or
- Check and/or file **your** details with fraud prevention agencies and databases, and if **you** give **us** false or inaccurate information and **we** suspect fraud, **we** will record this.

We and other organisations may also search these agencies and databases to:

- Help make decisions about the provision and administration of insurance, credit and related services for **you** and members of **your** household or company depending on **your** policy type; and
- Trace debtors or beneficiaries, recover debt, prevent fraud and to manage **your** accounts or insurance policies; and
- Check **your** identity to prevent money laundering, unless **you** furnish **us** with other satisfactory proof of identity.

We can, on request, supply further details of the databases **we** access or to which **we** contribute.

Claims history

Under the conditions of **your** policy **you** must tell **us** about any Insurance related incidents (such as fire, water damage, theft or an accident) whether or not they give rise to a claim. When **you** tell **us** about an incident **we** will pass information relating to it to industry databases.

We may search databases when **you** apply for insurance, in the event of any incident or claim, or at time of renewal of **your** insurance policy (if applicable), to validate **your** claims history or no claims bonus or that of any other person or property likely to be involved in the insurance policy or claim; this includes, but is not limited to:

- Claims and Underwriting Exchange (CUE)
- Motor Insurers Anti-Fraud & Theft Register (MIAFTR)

How your data will be processed

Insurance agencies and industry databases

We may pass information to the Claims and Underwriting Exchange Register (CUE) and the Motor Insurers' Anti-Fraud and Theft Register (MIAFTR), run by the Motor Insurers' Bureau (MIB). The aim is to help **us** to check information provided by **you** and also to prevent fraudulent claims. These registers may be searched in considering any application of insurance in connection with the policy. **We** will pass any information relating to any incident (such as an accident or theft), which may or may not give rise to a claim under this insurance policy and which **you** have to notify **us** of in accordance with the terms and conditions of this insurance policy, to the relevant registers.

Other insurers and third party firms

We may pass information about **you** and this insurance policy to other insurance companies with whom **we** reinsure **our** business or who are dealing with a claim made under this policy. In addition, information may be passed to other insurance related organisations in common with industry practice or other third party firms to perform **our** contract or services. Such companies may be located in countries outside the UK. **We** will not transfer Personal Data outside the EU, unless necessary to perform **our** contract or services and in such circumstances, **we** will ensure the Standard Contractual Clauses are in place prior to the transfer taking place. This ensures the similar level of security of **your** data as if it was transferred to a company within the EU.

Information on products and services

Where **we** have relevant consent, **we** may use the details **you** have provided to send **you** information about **our** other products and services or to carry out research. **We** may contact **you** by letter, telephone or email. Please be reassured that **we** won't make **your** personal details available to any companies other than those that are contracted by **us** to provide services relating to **your** insurance contract with **us**. If **you** would prefer not to receive information from **us** or those companies who provide services on **our** behalf, simply tell **our** service provider when **you** call or write to them at:

In the event that **we** are unable to continue to trade with **your Insurance intermediary** because they have ceased to trade through bankruptcy or liquidation, or in the event that their relevant FCA authorisation is revoked, **we** reserve the right to pass **your** insurance policy and all details on to another intermediary. If **you** do not wish for this to happen then please put **your** request in writing to **us**.

How long we will keep your data

We will keep **your** personal information for as long as reasonably necessary to fulfil the purposes set out in this notice and to comply with **our** legal and regulatory obligations. **We** have a detailed retention policy in place which governs how long **we** will hold different types of information for. The exact time period will depend on the purpose for which **we** collect that information, for example:

- MyLicence Data for Policies not taken up: no more than 29 days
- Quotes: 6 months
- Policies including MyLicence Data: 7 years
- Claims: 7 years
- Complaints: 7 years

In some circumstances depending on the nature of **your** policy and any claims made under it, data may be retained for a further period. It is retained for as long as a potential claim might be made or whilst a claim is being processed.

Your rights and your personal data

You are entitled to receive a copy of the information **we** hold about **you**. A request for personal data is free, unless the request is manifestly unfounded or excessive, in which case a reasonable administration fee may be charged.

We take reasonable steps to ensure that the information **we** hold about **you** is accurate and where necessary up to date and complete. **You** are entitled to ask for any inaccurate personal

You have the right to restrict or object to the processing of **your** personal data, subject to **our** legal obligations under the regulations. Please note in some circumstances **we** will not be able to cease processing **your** information, for example if **you** have a live insurance contract with **us** or an ongoing claim under **your** insurance contract.

You have the right to data portability which allows **you** to obtain the information previously provided to **us**, in a structured, commonly used and machine readable format. **You** have the right to request for this data to be transmitted to another data controller or processor, where this is possible.

You have the right to object to the processing of **your** personal data in respect to direct marketing or on grounds relating to **your** particular situation at any time.

- any person using (but not driving) the **Insured vehicle** for Social Domestic and Pleasure purposes with **your** permission, and
- any passenger in the **Insured vehicle**, and
- the legal representatives of any person who would have been covered under this section.

Third party property damage limit

The cover provided for damage to property is limited to £10,000,000 in respect of any one occurrence or series of occurrences arising out of one event.

The limit in respect of third party property damage is further reduced to an amount of £1,000,000 if at the time of the loss or damage the **Insured vehicle** is being used for the carriage of petrol, liquid petroleum gas, explosives or chemicals of a volatile, explosive, corrosive or toxic nature.

Legal costs

We will pay (with **our** prior written consent):

- solicitor's fees for representing **you** at any Coroner's, Magistrates or similar court, and
- all other reasonable costs and expenses for legal services to defend **you** against a charge of manslaughter or causing death by careless or inconsiderate driving or dangerous or reckless driving.

We will only pay these legal costs if they arise from an accident that is covered under this insurance.

Emergency medical treatment

We will pay emergency treatment charges required by the Road Traffic Acts.

Exceptions to Section 1

We shall not be liable:

- if the person claiming is otherwise insured, or
- for loss of or damage to property belonging to or in the care of any person insured under this section or for not being able to use such property, or
- for damage to the **Insured vehicle** or property in it or being conveyed in it, or for not being able to use any such property, or
- for any loss, damage or liability resulting from any trailer, caravan or disabled mechanically propelled vehicle being towed by the **Insured vehicle**, or
- if the death of or bodily injury to any person covered under this section arises out of the course of his/her employment except where such liability must be covered under the Road Traffic Act, or

- for legal costs if the person claiming such costs has previously been convicted of any offence for manslaughter, causing death by reckless or dangerous driving or driving whilst under the influence of drink or drugs.

Guidance notes

Under this section we will provide cover when your vehicle suffers loss or damage (less any excess you must pay) caused by the events shown opposite. These are the ways in which we may settle your claim.

The market value of the insured vehicle in the event of a total loss will be based on Industry Valuation Guides.

We calculate the market value using an average of industry guides and apply an adjustment based upon the condition of the vehicle but allowing for fair wear and tear based on the age of the insured vehicle. We aim to value your vehicle fairly under our 'right first time' policy. We aim to make our first valuation our best and final valuation. We will tell you what is covered and what is not covered at first report of a claim. Our offer letter will clearly explain our process in valuing total losses and explains any deductions made e.g. Excess or salvage.

However, if you disagree with our valuation of your vehicle, we will carefully consider any additional information you are able to provide about your vehicle, however, items such as new tyres, a new MOT, the length of tax remaining are unlikely to influence our valuation. Ultimately, if we are unable to reach agreement you have the right to refer the cases to the Financial Ombudsman Service.

Section 2

Loss of or damage to the Insured vehicle

This section only applies if the cover shown on your Schedule is Comprehensive.

We will cover **you** against loss or damage to the **Insured vehicle** (less any **Excess** that applies) caused accidentally or as a result of malicious damage or vandalism. Loss or damage more specifically covered under Section 3 of this policy is excluded.

Cover also applies under this section while the **Insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

Under this section we may either:

- pay for the damage to be repaired, or
- with **your** agreement provide a replacement vehicle, or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay is the lower of:

- the **Market value** of the **Insured vehicle** immediately before the loss, or
- the cost of repairing the **Insured vehicle**.

If the **Insured vehicle** was not first registered from new in the United Kingdom **we** will not pay more than the purchase price paid by **you** at the time **you** purchased the vehicle.

If the **Insured vehicle** is the subject of a Hire Purchase Agreement, payment shall be made to the owner whose receipt shall be a discharge of any claim under this section.

If the **Insured vehicle** is deemed to be beyond economical repair the damaged vehicle becomes **our** property once a claim is met under the policy. **You** must send **us** the vehicle registration document, MOT certificate and the **Certificate of Motor Insurance** for the **Insured vehicle** before **we** are able to meet the claim.

New vehicle cover

If the **Insured vehicle** is:

- less than one year old (calculated from the date of first registration) at the time of the incident leading to a claim under this policy, and
- suffers damage covered by the policy, and
- the cost of repairing the vehicle will be more than 50% of the manufacturers' last United Kingdom list price (including taxes).

we will replace it with a new one of the same make, model and specification.

However, this new vehicle cover only applies if:

- the current owner of the **Insured vehicle** has been its first and only owner and registered keeper, and
- a suitable replacement vehicle is available in the United Kingdom, and
- anyone else who has an interest in the **Insured vehicle** agrees.

Guidance notes

If the insured vehicle is declared a total loss, once you accept our valuation or we have paid the claim (or both) the insured vehicle becomes our property, unless we agree otherwise.

If you have a vehicle of less than 12 months old and it is extensively damaged we will replace it with a new one instead of paying you the market value at the time of loss.

This section restricts the amount we will pay if the parts needed to repair the vehicle are unavailable.

We will not pay the cost of any repair or replacement which improves the insured vehicle.

If the insured vehicle suffers damage covered by the policy, we will pay the cost of removing it to the nearest approved repairer.

An excess is the amount you must pay towards a claim for loss of or damage to the insured vehicle and/or fitted accessories (where applicable).

Section 2 (continued)

Once a settlement has been agreed in accordance with this new vehicle cover, the damaged vehicle becomes **our** property.

If the **Insured vehicle** is the subject of a Hire Purchase Agreement **we** will pay up to the limit of liability defined elsewhere in this section. This payment will be made to the owner, whose receipt shall be a discharge of any claim under this section.

Repairs

If parts required for repairing the **Insured vehicle** are not available in the United Kingdom **our** liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in the United Kingdom.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair the **Insured vehicle**. These parts will be subject to the **Approved repairer's** guarantee.

We will not pay the cost of importing parts that are not available in the United Kingdom.

We will not pay the cost of any repair or replacement which improves the **Insured vehicle** or its accessories to a better condition than they were in immediately before the loss or damage. If this does happen **you** must make a contribution towards the cost of repair or replacement. **You** may be required to contribute towards the cost of replaced items such as exhausts or tyres.

If the **Insured vehicle** is fitted with Advanced Driver Assistance Systems (ADAS) **we** will pay for the recalibration of cameras or sensors fitted to the **Insured vehicle** to operate these systems, if required, following a claim that is covered under this section.

Protection and recovery

If the **Insured vehicle** cannot be driven following an incident leading to a valid claim, **we** will pay:

- the cost of its protection and removal to the nearest **Approved repairer**, competent repairer or place of safety, and
- the reasonable cost of re-delivery to **your** home address within the United Kingdom after the completion of repairs, and
- the cost of storage of the **Insured vehicle** incurred with **our** written consent.

If the **Insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

You should remove **your** personal belongings from the **Insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **Insured vehicle** to an alternative repairer or place of safety at any time in order to keep the cost of the claim to a minimum.

Excess

You will be responsible for paying the amount shown on the **Schedule** in respect of any claim relating to loss of or damage to the **Insured vehicle**.

Guidance notes

Under this section we will provide cover when your vehicle suffers loss or damage by fire or theft (less any excess you must pay).

Fire damage must be caused by flames. Charring of overloaded wiring is not covered. These are the ways in which we may settle your claim.

The market value of the insured vehicle in the event of a total loss will be based on Industry Valuation Guides.

We calculate the market value using an average of industry guides and apply an adjustment based upon the condition of the vehicle but allowing for fair wear and tear based on the age of the insured vehicle. We aim to value your vehicle fairly under our 'right first time' policy. We aim to make our first valuation our best and final valuation. We will tell you what is covered and what is not covered at first report of a claim. Our offer letter will clearly explain our process in valuing total losses and explains any deductions made e.g. Excess or salvage.

However, if you disagree with our valuation of your vehicle, we will carefully consider any additional information you are able to provide about your vehicle, however, items such as new tyres, a new MOT, the length of tax remaining are unlikely to influence our valuation.

Ultimately, if we are unable to reach agreement you have the right to refer the cases to the Financial Ombudsman Service.

Section 3

Loss of or damage to the Insured vehicle by fire or theft

This section only applies if the cover shown on your Schedule is Comprehensive or Third Party, Fire and Theft.

We will cover **you** against loss of or damage to the **Insured vehicle** (less any **Excess** that applies) caused by fire, lightning, self ignition, explosion, theft or attempted theft.

Cover also applies under this section while the **Insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

Under this section we may either:

- pay for the damage to be repaired, or
- with **your** agreement provide a replacement vehicle, or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay is the lower of:

- the **Market value** of the **Insured vehicle** immediately before the loss, or
- the cost of repairing the **Insured vehicle**.

If the **Insured vehicle** was not first registered from new in the United Kingdom **we** will not pay more than the purchase price paid by **you** at the time **you** purchased the vehicle.

If the **Insured vehicle** is the subject of a Hire Purchase Agreement, payment shall be made to the owner whose receipt shall be a discharge of any claim under this section.

If the **Insured vehicle**:

- is stolen and has not been recovered at the time of settlement of **your** claim, or
- regardless of the type of loss or damage is deemed to be beyond economical repair

the damaged vehicle becomes **our** property once a claim is met under the policy. **You** must send **us** the vehicle registration document and MOT certificate for the **Insured vehicle** before **we** are able to meet the claim.

New vehicle cover

If the **Insured vehicle** is less than one year old (calculated from the date of first registration) at the time of the incident leading to a claim under this policy, and:

- is stolen and not recovered, or
- suffers damage covered by the policy and the cost of repairing the car will be more than 50% of the manufacturers' last United Kingdom list price (including taxes)

we will replace it with a new one of the same make, model and specification.

Guidance notes

If the insured vehicle is declared a total loss, once you accept our valuation or we have paid the claim (or both) the insured vehicle becomes our property, unless we agree otherwise.

If you have a vehicle of less than 12 months old and it is extensively damaged or stolen and not recovered we will replace it with a new one instead of paying you the market value at the time of loss.

Under this section we will provide cover when your vehicle suffers loss or damage by fire or theft (less any excess you must pay).

This section restricts the amount we will pay if the parts needed to repair the vehicle are unavailable.

We will not pay the cost of any repair or replacement which improves the insured vehicle.

If the insured vehicle suffers damage covered by the policy, we will pay the cost of removing it to the nearest approved repairer.

An excess is the amount you must pay towards a claim for loss of or damage to the insured vehicle and/or fitted accessories (where applicable).

Section 3 (continued)

However, this new vehicle cover only applies if:

- the current owner of the **Insured vehicle** has been its first and only owner and registered keeper, and
- a suitable replacement vehicle is available in the United Kingdom, and
- anyone else who has an interest in the **Insured vehicle** agrees.

Once a settlement has been agreed in accordance with this new vehicle cover, the lost or damaged vehicle becomes **our** property.

If the **Insured vehicle** is the subject of a Hire Purchase Agreement payment up to the limit of liability defined elsewhere in this section. This payment will be made to the owner whose receipt shall be a discharge of any claim under this section.

Repairs

If parts required for repairing the **Insured vehicle** are not available in the United Kingdom **our** liability for those parts shall not exceed the manufacturer's last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in the United Kingdom.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair the **Insured vehicle**. These parts will be subject to the **Approved repairer's** guarantee.

We will not pay the cost of importing parts that are not available in the United Kingdom.

We will not pay the cost of any repair or replacement which improves the **Insured vehicle** or its accessories to a better condition than they were in immediately before the loss or damage. If this does happen **you** must make a contribution towards the cost of repair or replacement. **You** may be required to contribute towards the cost of replaced items such as exhausts or tyres.

If the **Insured vehicle** is fitted with Advanced Driver Assistance Systems (ADAS) **we** will pay for the recalibration of cameras or sensors fitted to the **Insured vehicle** to operate these systems, if required, following a claim that is covered under this section.

Protection and recovery

If the **Insured vehicle** cannot be driven following an incident leading to a valid claim, **we** will pay:

- the cost of its protection and removal to the nearest **Approved repairer**, competent repairer or place of safety, and
- the reasonable cost of re-delivery to **your** home address within the United Kingdom after the completion of repairs, and
- the cost of storage of the **Insured vehicle** incurred with **our** written consent.

If the **Insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

You should remove **your** personal belongings from the **Insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **Insured vehicle** to an alternative repairer or place of safety at any time in order to keep the cost of the claim to a minimum.

Excess

You will be responsible for paying the amount shown on the **Schedule** in respect of any claim relating to loss of or damage to the **Insured vehicle** caused by fire, lightning, self ignition, explosion, theft or attempted theft.

Guidance notes

There are circumstances where cover under these sections does not apply. They are shown opposite.

Loss of or damage to radios, cassette and CD players is covered but only up to the fixed amount shown opposite. This limit is the maximum amount we will pay before your excess has been deducted.

You must take all reasonable measures to avoid loss or damage.

You must remove your ignition key and lock your vehicle whenever you leave it even if only for a short period of time e.g. at a petrol station.

Vehicle thieves often steal the keys first especially if the vehicle has an immobiliser and break into houses just to access keys to steal the car. Always keep keys secure even inside your home (do not leave keys where a burglar can easily find them such as on a shelf or hook).

If the insured vehicle does not belong to you the policy will only provide cover whilst you are driving it or are sat in the driver's seat.

Exceptions to Sections 2 and 3

These sections of **your** insurance policy do not cover the following:

- The amount of any **Excess** shown in the **Schedule**, this policy document or both.
- Any amount greater than £400 in respect of any one occurrence for loss or damage caused to **Audio, entertainment and communication in-car equipment** permanently fitted to the **Insured vehicle**. This amount is also subject to the deduction of any **Excess** in the **Schedule**, this policy document or both.

- **We** will not pay claims for the repair or replacement of rear or side windscreens/ windows, sunroofs, glass roofs, panoramic windscreens, lights/reflectors or folding rear windscreen assemblies under this section.

Guidance notes

If your cover is comprehensive the policy may provide you with a courtesy car to keep you mobile while the car insured by the policy is being repaired by our approved repairer.

A courtesy car is not available if your car is a total loss i.e. cannot be repaired.

No Claim Discount does not apply to this policy. However, we will provide you with proof of a 1 year entitlement after just 10 consecutive months of claim-free insurance with us.

Section 6

Provision of a courtesy car

This section applies only if the cover shown on your Schedule is Comprehensive

If a valid claim is made under this policy, and the **Insured vehicle** is to be repaired by one of **our Approved repairers**, the repairer will provide **you** with a **Courtesy car** (subject to availability) for the duration of the repairs. Please note the duration of repairs will be deemed complete, and therefore cover under this section will cease, once the satisfaction note has been signed for release of the **insured vehicle**, unless **we** agree otherwise in writing.

If the parts required to repair the **Insured vehicle** are not immediately available to **our Approved repairer** we reserve the right to withhold the provision of a **Courtesy car** until such time as the necessary parts are available and repair work can proceed.

If the **Insured vehicle** is accepted by **our Approved repairer** as being a repairable proposition, but it is subsequently deemed by **us** to be beyond economical repair, **we** reserve the right to withdraw the **Courtesy car** immediately.

The **Courtesy car** can only be provided subject to availability and will be supplied subject to **our Approved repairer's** standard terms and conditions, for use in the United Kingdom only. **Our** aim is to keep **you** mobile rather than the **Courtesy car** being a replacement for the **Insured vehicle** in terms of status or performance. The **Courtesy car** will normally be a small hatchback of less than 1200cc.

While **you** are in possession of the **Courtesy car**, cover for loss of or damage to the car will be provided by this policy in accordance with its terms, and conditions, including any **Endorsements** which apply and subject to any **Excesses** for which **you** are responsible. **We** will not make a charge for this cover.

Any accidents or losses while **you** are in possession of the **Courtesy car** must be reported to **us** immediately.

Driving of the **Courtesy car** will be limited solely to those persons named on your **Certificate of Motor Insurance**, and the use of the car will be restricted to the use described on that certificate.

You are not required to inform **us** when you are supplied with a **Courtesy car** from **our Approved repairer**.

You must return the **Courtesy car** to **our Approved repairer** either when **we** ask **you** to do so or if this insurance expires and **you** fail to purchase additional cover with **us**.

Section 7

Accelerated NCD entitlement

When **you** take out a Private Car Insurance Policy for Learner Drivers with **us**, and:

- cover is continuously in force with **us** for 10 consecutive months, and
- the policy is lapsed or cancelled and all premiums owed to **us** have been paid, and
- no claim or incident giving rise to a claim occurs during that initial 10 month period

we will provide **you** with a letter confirming an entitlement to 1 year's No Claim Discount at the end of the 10 month period. This letter may then be used by **you** to obtain a discount when applying for a conventional policy of **your** choice with an alternative insurer (subject to the alternative insurer's acceptance of this letter). This Private Car Insurance Policy for Learner Drivers is not subject to No Claim Discount.

Guidance notes

Section 8

We will indemnify **you** in respect of the cost of replacing the:

1. Affected locks
2. Keys or key card, the remote transmitter and central locking interface
3. Affected parts of the engine control unit, alarm and/or immobiliser

The maximum **we** will pay for **your** losses occurring during any period of 12 months cover is £1,500 with a maximum of £500 per single claim. There is no policy excess under this section. All receipts must be retained and submitted with **your** claim.

Exceptions to Section 8

This section of your insurance does not cover the following:

- The total value of claims exceeding £1,500 in any period of 12 months cover.
- Any single claim above £500.

- Any claim if the costs are recoverable from any party, under the terms of another contract, guarantee, warranty, or insurance.
- Loss of use or other indirect loss.
- Any expense incurred as a result or not being able to use **your** car key, or any other loss other than the replacement of the car key or costs of the replacement locks.
- Any expense caused by the theft or attempted theft if the car key was taken by a member of the policyholder's family or household, or taken by an employee or ex-employee of the policy holder or owner of the car. Except if that person is convicted of theft.
- Any theft claim which has not been reported and a crime reference number obtained.

 - being driven with an unsecured load or a number of passengers which makes it unsafe to drive or exceeds the manufacturer's specification, or
 - being used to tow a trailer, caravan or disabled mechanically propelled vehicle.
13. Liability, costs or expenses in respect of any proceedings brought against **you** or judgement passed in any court outside of the **Geographical limits** of this policy. Providing the **Insured vehicle** is being driven by a full UK/EU licence holder who is included to drive on the current **Certificate of Motor Insurance**, this exception will not apply in respect of proceedings or judgement arising in connection with any liability which is legally insurable under EU legislation and the proceedings are brought or judgement is passed in a country which is a signatory to Article 8 (1), second paragraph of EU Directive 2009/103/EC.
14. Any liability, loss or damage for driving other cars or vehicles. This policy only provides cover for the **Insured vehicle**.

This insurance does not extend outside of the United Kingdom, Isle of Man and the Channel Islands

Guidance notes

These conditions explain your responsibilities under this contract of insurance.

General conditions

These General conditions apply to the whole of this insurance

1. Your duties

We will only provide the cover described in this insurance policy if:

- the premium has been paid for the current **Period of insurance**, and
- **you** and anyone claiming under this insurance has met all the conditions contained in this policy document, the policy **Schedule, Certificate of Motor Insurance** and any **Endorsements** applied to the insurance, and
- the information **you** provided or which was provided on **your** behalf and which is displayed on **your Statement of fact** or contained in any declaration is, to the best of **your** knowledge and belief, correct and complete, and
- **you** provide **us** with all co-operation and assistance throughout the duration of this policy, for example if **we** request information or documentation from **you** when **you** purchase cover, make changes, submit a claim or, where applicable, renew, and
- **you** take all precautions to prevent loss or damage occurring and the extent of any loss or damage

Your premium is based on information **you** supplied at the start of the insurance, subsequent alteration or renewal. **You** must tell us **via your Insurance intermediary** immediately of any change to that information. Some non-exhaustive examples are any changes to the **Insured vehicle** from the manufacturer's standard specification, any change of car, change of occupation (including part-time), change of address (including where vehicle is kept), change of drivers or if **you** or any drivers sustain a motoring conviction.

You, or anyone acting on your behalf, when applying for cover, renewing or amending the policy, or making a claim, must not commit a fraudulent act, submit a false document or make a false or exaggerated statement. You must also not amend or alter any document provided by us under this policy. In the event you do not adhere to any of these requirements, cover under this policy may be declared void or otherwise cancelled immediately and you will not be entitled to a refund of premium. Any claims made against the policy will also not be paid. Where the full premium has not been paid, for example your payment has failed, been subsequently recalled or you have only paid a deposit, we will seek to enforce payment of the full premium balance.

If you or anyone acting on your behalf at any time acts abusively or makes inappropriate comments (for example but not limited to those of a sexual nature), to our staff or those of our service provider or your intermediary, then cover will be cancelled in accordance with General Condition 4.

2. Looking after the Insured vehicle

You or any permitted drivers are required to maintain the **Insured vehicle** in a roadworthy condition. **You** or any person in charge of the **Insured vehicle** are required to take all reasonable care to safeguard it and its contents from loss or damage, for example the vehicle should not be left unlocked when unattended and ignition keys should not be left in or on the vehicle when unattended no matter how briefly.

We shall at all times be allowed free access to examine any **Insured vehicle**.

There must be a valid Department for Transport test certificate (MOT) in force for the **Insured vehicle** if one is needed by law. In the absence of a valid Department for Transport test certificate (MOT) all cover under sections 2 and 3 of this insurance is cancelled and of no effect.

Guidance notes

This condition explains what you need to do in the event of a claim to help us to provide you with the benefits of the policy

Please also refer to 'What to do in the event of an accident' on page 2 of this booklet

You must inform us of all claims against you. We will conduct negotiations with any third party claiming against you.

3. Claims procedures

In the event of an accident or incident **you** must telephone the 24 hour claim line on 0345 3700 008 immediately or as soon as practicable but in any event within 72 hours/3 days (see page 2 of this policy document for further details). If **you** delay reporting a claim to **us** it may increase claim costs, which **you** will become liable to pay. It may also invalidate **your** right to claim and/or result in the cancellation of **your** policy. If the loss or damage is covered by the policy **our** appointed claims representatives will arrange for the vehicle to be removed to the nearest **Approved repairer**, competent repairer or place of safety, and safeguard the vehicle and its contents.

We will not pay for further damage to the **Insured vehicle** if **you** drive it or attempt to drive it in a damaged condition.

If **your** claim is due to theft, attempted theft, malicious damage or vandalism, **you** must also notify the police and obtain a crime report number.

We have the right to remove the **Insured vehicle** at any time. If the vehicle is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

If **we** ask to examine driving licences and vehicle documentation before agreeing to settle a claim under this policy **you** must supply this documentation before **we** can proceed with the settlement.

Any indication of a claim against **you** must be notified to **us** in writing as soon as possible. Any writ or notification of civil or criminal proceedings should be sent to **us** by recorded delivery immediately.

We shall be entitled to take over and conduct the defence or settlement of any claim or prosecute any claim in the name of any person covered by this insurance.

No admission of liability, payment or promise of payment shall be made or given by **you** or any person on **your** behalf. No proceedings may be commenced against, or settlement accepted from, any other party without **our** written consent.

We shall have absolute discretion in the conduct of any proceedings or in the settlement of any claim and **you** must give **us** whatever co-operation, information and assistance is necessary.

We will not pay a claim if there is any other insurance in force which covers the same loss, damage or liability as this insurance.

If **you** owe premium, (including for these purposes any sum due under any credit agreement used to pay for this policy, as notified to **us** by **your Insurance intermediary**) or claims monies under this, or any other policy **you** hold with **us**, **we** will deduct such monies from any valid claim which becomes payable under this policy. If **we** deduct any sum due under a credit agreement from a claim payable under this policy, **we** shall pay such sum to **your Insurance intermediary** or as they may direct. Such deductions may reduce or remove any liability **we** owe to **you**. In the event **your** debt is not extinguished or **we** are unable to deduct the amount owed for any reason, this condition does not prevent **us** from pursuing **you** separately for any balance owed.

Guidance notes

Cancelling your insurance and the amount of return premium you can expect

Please note that any refund from us whether during or after the reflection period may be subject to a further cancellation charge levied by your insurance intermediary. Any charges levied by your insurance intermediary will be in accordance with the terms and conditions agreed between you and them at the time you arranged this insurance.

4. Cancellation

Providing **you** have not committed or are not suspected of having committed a fraudulent act, the following cancellation condition applies. Where a fraudulent act has arisen or is suspected **your** policy may be declared void or it will be cancelled immediately and no refund will be provided. For full details, please refer to General Condition 1.

To effect cancellation of **your** policy, **you** should contact **your Insurance intermediary**.

If **you** are paying by instalments **you** may still have an obligation to make payments. If **you** fail to make a payment on time, **your** policy will be terminated upon expiry of the current **Certificate of Insurance**.

In the event that **we** cancel **your** policy and **we** have refunded the premium and a subsequent claim is reported during the **Period of Insurance**, **we** have the right to request that the full premium is returned, or **we** can reduce settlement of **your** claim accordingly.

Cancellation by you during the cooling-off period

If **your** policy duration is at least one **Calendar Month**, this insurance provides **you** with a cooling-off period to decide whether **you** wish to continue with the full policy. The cooling-off period is for 14 days from the date **you** receive **your** policy documentation (where **your** policy has been purchased via the internet, receipt will be deemed to have taken place when the documentation has been made available for download by **your Insurance intermediary**, unless manual posting has been requested).

If a period of less than 14 days has elapsed since **you** received **your** policy documentation, **you** have the right to cancel the policy and receive a refund of the premium **you** have paid:

- If at the date of cancellation **your** policy has not yet commenced **you** will receive a full refund of the premium **you** have paid from **us**; or
- If **your** policy has already commenced, **you** will receive a refund of premium from **us**, equivalent to the unexpired period of cover on a pro rata basis (providing **you** have not made a claim that is administered as a total loss or an incident has occurred that is likely to give rise to a claim that is administered as a total loss claim in the **Period of Insurance**).

Please note **we** will write to **you** by email to the last email address provided to **us** (or postal address if this method of communication has been requested), confirming when **your** policy has been cancelled.

Cancellation by you after the cooling-off period

Beyond the above 14 days period, where cancellation is effected by **you**, **we** will allow a refund of premium which will be calculated using the scale at the end of this section (providing there have been no claims or incidents likely to give rise to a claim in the **Period of Insurance**. If a claim, or an incident likely to give rise to a claim has arisen, no refund will be due).

If this policy is renewed after the initial annual Period of Insurance, where cancellation is effected by **you**, **you** will receive a refund of premium from **us**, equivalent to the unexpired period of cover on a pro rata basis (providing there have been no claims or incidents likely to give rise to a claim in the **Period of Insurance**).

Please note **we** will write to **you** by email to the last email address provided to **us** (or postal address if this method of communication has been requested), confirming when **your** policy has been cancelled.

Guidance notes

Please note that any refund from us whether during or after the reflection period may be subject to a further cancellation charge levied by your insurance intermediary. Any charges levied by your insurance intermediary will be in accordance with the terms and conditions agreed between you and them at the time you arranged this insurance.

Cancellation by us (7 days' notice)

Where there is a valid reason for doing so, **we** or **our** authorised service provider can cancel this policy by giving **you** 7 days' notice in writing to the last email address **you** notified to **us** (or postal address if this method of communication has been requested). **We** will allow a refund the premium which will be calculated using the scale at the end of this section (providing there have been no claims or incidents likely to give rise to a claim in the **Period of Insurance**. If a claim, or an incident likely to give rise to a claim has arisen, no refund will be due).

If this policy is renewed after the initial annual **Period of Insurance**, where there is a valid reason for doing so, **we** or **our** authorised service provider can cancel this policy by giving **you** 7 days' notice in writing to the last email address **you** notified to **us** (or postal address if this method of communication has been requested). **You** will receive a refund of premium from **us**, equivalent to the unexpired period of cover on a pro rata basis (providing there have been no claims or incidents likely to give rise to a claim in the **Period of Insurance**).

Non-exhaustive reasons for providing 7 days' notice of cancellation are:

1. Failure to co-operate (administration)

If information or documentation requested during the term of **your** policy is not supplied within the timescale(s) provided. Non-exhaustive examples are copies of driving licences and additional information connected to **your** tuition arrangements.

2. Failure to co-operate (claims)

Where **you** are required to co-operate with **us** or **our** service providers or to send information or documentation and **you** fail to do so within the timescale(s) provided, which materially affects **our** ability to process a claim or to defend **our** interests.

3. Inappropriate behaviour

Where **you**, or anyone representing **you**, act abusively or make inappropriate comments (for example but not limited to those of a sexual nature), to **our** staff or those of **our** service provider or **your Insurance intermediary**.

4. Vehicle not roadworthy

Where **you** fail to maintain the **Insured Vehicle** in a roadworthy condition or **you** fail to look after it in accordance with General Conditions 2 of the Policy Booklet.

5. A change in circumstances

Where **we** have advised **you** that **we** are cancelling the policy due to changes in circumstances as detailed in **your Certificate of Motor Insurance, Schedule or Statement of Fact** or where the circumstances of a new claim or incident result in **us** no longer being able to provide cover.

Cancellation by us (immediate cessation of cover)

Where there is a valid reason for doing so, **we** or **our** authorised service provider can cancel this policy immediately by writing to the last email address **you** notified to **us** (or postal address if this method of communication has been requested). **We** will refund the premium which will be calculated using the scale at the end of this section, as long as the reason for cancellation is not the result of a fraudulent act.

If this policy is renewed after the initial annual **Period of Insurance**, where there is a valid reason for doing so, **we** or **our** authorised service provider can cancel

Guidance notes

IMPORTANT;

Cover is only provided under the policy while you remain a learner driver and you are accompanied by a suitably qualified driver as defined on page 14 of this policy. You must at all times be undergoing tuition.

We may agree to insure another driver on a permanent basis. If so, their name will be shown on your current Certificate of Motor Insurance.

In an emergency we will also indemnify you suitably qualified accompanying driver if he/she needs to drive your car home for you.

Unless any other driver's name appears on your Certificate of Motor Insurance the policy does not permit driving by anyone other than you except in these exceptional circumstances.

All cover will cease when you pass your driving test other than the 'get your vehicle home' cover described opposite.

this policy immediately in writing to the last email address **you** notified to **us** (or postal address if this method of communication has been requested). **You** will receive a refund of premium from **us**, equivalent to the unexpired period of cover on a pro rata basis (providing there have been no claims or incidents likely to give rise to a claim in the **Period of Insurance**).

This is a non-exhaustive list of reasons why **we** may cancel **your** policy with immediate effect.

1. Failure to pay **your** premium (if **you** have chosen to pay for **your** policy by instalments) Including for these purposes failure to pay any sum due under any credit agreement or instalment plan outlined in **your** payment schedule used to pay for this policy, as notified to **us** by **your Insurance intermediary**.
2. **You** commit or we suspect that **you** have committed a fraudulent act;
3. **You** or anyone covered by this policy are stopped by the Police for driving unaccompanied or failing to display "L" plates on the **Insured vehicle**;
4. **You** fail to comply with the terms and conditions of **your** licence;
5. **You** pass **your** driving test.

We may pay any refund of premium due to **you** under this policy to **your Insurance intermediary** or as they may direct, which will discharge **our** liability to **you** in full in relation to that refund of premium.

Guidance notes

Cancellation by us (30 days' notice)

Where the **Insured vehicle** is determined to be a total loss by **us** and **we** have paid the total loss settlement:

1. Where **you** do not provide details of a replacement vehicle within 30 days following settlement of the total loss, **your** policy will be cancelled at the expiry of this 30 days' period and **you** will not receive a refund.
2. Where less than 30 days' cover remain until expiry of the policy, the policy will naturally expire and **you** will not be able to purchase **your** next policy until an acceptable replacement vehicle has been notified to **us** and **you** will not receive a refund.

We will confirm this by writing to the last email address **you** notified to **us** (or postal address if this method of communication has been requested).

5. Total Losses

If as a result of a claim the **Insured vehicle** is deemed to be a total loss, as long as any replacement vehicle **you** notify to **us** meets **our** acceptance criteria and **we** agree to provide cover, **you** will be notified of any additional premium required. **You** will not be entitled to any refund of premium as a result of the change.

Please note:

- If **you** do not provide details of a replacement vehicle within 30 days following settlement of the total loss, **your** policy will be cancelled at the expiry of this 30 days' period and **you** will not receive a refund,
- If any replacement vehicle **you** notify to **us** is unacceptable, this policy will cease with immediate effect and **you** will not receive a refund.

In the event **your** policy is cancelled, all outstanding or overdue premium must be paid immediately. **We** may at **our** discretion reduce the claim payment by the amount of outstanding or overdue premium that **you** owe **us**.

Should less than 30 days' cover remain until expiry of the policy, the policy will naturally expire and **you** will not be able to purchase **your** next policy until an acceptable replacement vehicle.

6. Right of Recovery

If under the laws of any country in which this insurance applies, **we** have to make payments which but for those laws would not be covered by this policy, **you** must repay the amounts to **us**.

You or the person who caused the accident must also repay **us** any money **we** have to pay because of any agreement **we** have with the Motor Insurers' Bureau.

Any payment **we** make under this condition will mean that there will be no entitlement to a return of premium if the policy is cancelled or declared void.

7. Motor Insurance Database (MID) and Continuous Insurance Enforcement

It is a condition of this insurance policy that **you** comply with the requirements of the 4th EU Motor Insurance Directive and supply details of all vehicles in **your** custody or control to **your Insurance intermediary** as soon as these vehicles come into **your** possession. **Your** failure to comply with these requirements may result in cancellation being invoked by **us** under General condition 4 of this policy.

Continuous Insurance Enforcement legislation also means that **your** vehicles must be insured at all times unless they have been declared by **you** as 'off the road' by way of a SORN declaration.

If there is no record on the MID showing **your** vehicle is insured, and **you** have not declared it as 'off road' (by completing a SORN), **you** will receive a

letter warning **you** that **you** could face a fine, prosecution, and **your** vehicle could also be clamped, seized and ultimately, destroyed. For peace of mind **you** can check that **your** vehicle(s) appear on the MID by going to the MID's website: www.askMID.com. This will avoid the inconvenience of **you/your** drivers being un-necessarily stopped by the police.

If **you** have insured **your** vehicle(s) with **us** and it/they do not appear on the MID then **you** should contact **your Insurance intermediary** in the first instance to ensure the MID is updated. It is **your** legal obligation to make sure that **your** vehicle appears on the MID.

8. Car sharing

This policy allows **you** to carry passengers for social or similar purposes and **your** receipt of a mileage allowance or a payment by a passenger towards the cost of fuel will not invalidate cover as long as:

- **you** do not make a profit from the car sharing arrangement, and
- **your** car is not adapted to carry more than eight people (including the driver) and
- **you** are not carrying passengers as customers of a passenger-carrying business.

9. Permitted drivers and use of the Insured vehicle

If **you** are not the registered keeper/owner of the **Insured vehicle**, this policy only provides cover whilst **you** are undergoing driving tuition or the **insured vehicle** is being driven by another person who is specifically shown on **your Certificate of Motor Insurance**. The registered keeper/vehicle owner must therefore have arranged a suitable insurance policy elsewhere to ensure it is covered in circumstances beyond the scope of this policy.

Driving limitations – driving by you

Driving under this policy is normally restricted to **you** in person and the policy is only effective for as long as **you** hold a provisional driving licence.

For cover to be operative at the time of any incident likely to give rise to a claim under this policy **you** must at the time of the incident:

- be in the process of receiving driving tuition or undergoing an official Driving Standards agency (DSA) practical driving test, and
- be accompanied by a full UK/EU licence holder who is aged 21 or over and has held such a licence for a minimum of 3 years (or Driving Standards Agency Examiner).

Driving limitations – driving by other persons (named driver)

Other than in the exceptional circumstances described in the General condition below ("emergency and 'get your vehicle home' cover"), no other person is permitted to drive under this insurance unless their name is shown on **your current Certificate of Motor Insurance**.

Use by any named driver shown on **your certificate of motor insurance** is restricted to social, domestic and pleasure purposes ONLY. A named driver may NOT use the vehicle for commuting to a place of work.

Driving by accompanying driver – emergency and 'get your vehicle home' cover

Cover is extended to allow **your** qualified accompanying full UK/EU licence holder (who is 21 or over and has held such a licence for a minimum of 3 years) to drive but only in the following circumstances:

- Tuition extension – accompanying driver cover:

If, while **you** are receiving driving tuition or undergoing an official DSA practical driving test, it is necessary in exceptional circumstances for the accompanying full UK/EU licence holder (as defined above) to drive the **Insured vehicle** in order to:

- complete the journey, or
- return the **Insured vehicle** to the driving test centre, or
- return the **Insured vehicle** to **your** home/its normal garaging address

cover will be provided under this policy.

- After sitting **your** driving test:

Immediately after sitting **your** practical driving test, the Driving Standards Agency Examiner will require that the **Insured vehicle** is driven to **your** home or its normal garaging address by **your** accompanying full UK/EU licence holder (as defined above). This policy will provide cover for **your** accompanying full UK/EU licence holder to drive the **Insured vehicle** directly from the driving test centre to **your** home/its normal garaging address.

On passing **your** driving test all cover under this policy will cease other than the limited cover described above which permits **your** accompanying full licence holder to return the **Insured vehicle** to **your** home/normal garaging address directly from the driving test centre.

In no other circumstances is cover provided under the policy if the Insured vehicle is being driven by or is in the charge for the purpose of being driven by anyone other than you unless that person is named on your current Certificate of Motor Insurance.

In the event that **you** pass **your** driving test, **you** must tell **us** immediately via **your Insurance intermediary** to enable **us** to cancel the policy and calculate any refund of premium allowable.

10. Drink and Drugs Clause

No cover will be provided under any section of this policy whilst the **Insured vehicle** is being driven by or is in the charge of any person who:

1. is subsequently convicted of a drink/drugs offence as a result of the incident leading to a claim under this policy, or
2. is subsequently proven to have been under the influence of drink/drugs at the time of the incident leading to a claim under this policy

Where **we** are required to meet any obligations under current Road Traffic law, **we** will recover from **you** or the driver, all sums paid (including all legal costs), whether in settlement or under a judgement, of any claim arising from the incident. This policy will also be cancelled immediately and no refund will be due.
