WHAT YOUR DRIVER NEEDS TO DO IN THE EVENT OF AN ACCIDENT

Regardless of blame these measures will help to protect you and your driver.

The driver should stop as soon as possible, in a safe place. If anybody has been injured, he/she should call the police and ambulance service. If the vehicle is equipped with a warning triangle, it should be placed well before the obstruction.

It is worth keeping a pen and paper in the vehicle. The driver can then make a quick sketch of the direction and final position of each vehicle. He/she should write down the name, address and vehicle registration number of the other driver(s). He/she should also make a note of the number of passengers in each vehicle. If the police attend the scene the driver should write down the officer's name, number and police

force. If the driver has a mobile phone with him/her and it is fitted with a camera, he/she should try and take photographs to support the positions of the vehicles and the extent of damage.

If anybody has been injured **your** driver should obtain all drivers' insurance details as well as giving his/her own details to anyone who has reasonable grounds for requesting them. It is most important to obtain details of all witnesses. If **your** driver is not to blame this will help **us** to recover **our** costs from the negligent party and minimise the effect on **your** future renewal premiums.

Make sure that **your** driver knows not to admit responsibility, either verbally or in writing.

If for any reason it has not been possible to exchange details with other drivers at the time of the collision, or the driver was in collision with an animal, **you** must report the incident to the police as soon as possible, and certainly within 24 hours.

Call the 24-hour Claims Helpline 0345 3700 008

After any accident or incident telephone our 24 hour claims helpline as quickly as possible.

This is regardless of whether you wish to make a claim under the policy. Delay in notifying us of an incident may increase claim costs, which you will become liable to pay. It may also invalidate your right to claim. Quote your policy number and give all the information about the incident. If your claim is due to theft, attempted theft or vandalism you must also inform the Police and obtain a crime reference number.

The benefits **you** receive will depend on the level of policy cover you selected but can include the following (*whilst using **our approved repairer**):

- **FREE courtesy car while your vehicle is being repaired***
- **FREE collection and re-delivery***
- **FREE vehicle cleaning service***
- **Repairers' work guaranteed for three years.**
- **Windscreen repair/replacement**

We will deal with **your** claim and claims made against **you** and/or **your** driver, as quickly and fairly as possible. Please read the General conditions in this policy document.

For our joint protection telephone calls may be recorded and monitored by **us** and **our** service providers.

Motor Fleet Insurance Policy

Important Customer Information

Notification of changes which may affect your insurance – keeping us updated

You should keep a complete record of all information (including copies of letters) supplied to **us** in taking out this insurance.

So that **you** understand what **you** are covered for, please read this policy, the **Schedule** (which may make reference to **Endorsements**) and the **Certificate of Motor Insurance** very carefully.

You should pay special attention to the General exceptions and General conditions of this policy.

If **you** have any questions, or the cover does not meet **your** needs or any of the details are incorrect **you** should notify us immediately via **your Insurance intermediary**.

To keep **your** insurance up to date please tell **us** straight away via **your Insurance intermediary** about changes which may affect **your** cover.

Some examples are:

- A change of vehicle, or **you** purchase another vehicle to which **you** want cover to apply.
- **You** wish a new driver to be covered.
- Someone who drives the vehicle receives a motoring conviction, has a pending prosecution, suffers from a medical condition or has a claim on another policy.
- The vehicle is changed or modified from the manufacturer's standard specification or **you** intend to change or modify it (including the addition of optional-fit accessories such as spoilers, skirts, alloy wheels, refrigeration units, hoists, tail lifts, etc.)
- A change of **your** occupation and/or the type of business activities in which **you** are involved
- A change of address or where the vehicles are normally kept.
- A change in the use of any of the vehicles
- A vehicle is involved in an accident no matter how trivial

This is not a full list and if **you** are in any doubt **you** should advise **your insurance intermediary** for **your** own protection. If **you** do not tell **us** about changes, **your** insurance may not cover **you** fully or at all.

Data Protection

We are governed by the Data Protection Regulation applicable in both the United Kingdom and Gibraltar. Under this legislation **we** are required to tell **you** the following information. It explains how **we** may use **your** details and tells **you** about the systems **we** have in place that allow **us** to detect and prevent fraudulent applications for insurance policies and claims. The savings that **we** make help **us** to keep premiums and products competitive.

In order to provide **our** services, **we** will collect and use data about individuals, this means **we** are a 'data controller'.

The legal foundation for processing **your** data, which has been obtained on a contract basis, is the performance of an insurance contract arranged between **you** and **us**. **We** are registered for the purposes of, and exercise control over, the processing of personal data, for which **we** carry specific responsibilities.

Why we need your data

Insurance Administration Purposes

The personal data **we** collect will depend on **our** relationship with **you**. For example, **we** will collect and hold more detailed information about **you** if **you** become a customer than if **you** simply receive a quote. Certain types of personal data are considered to be "special categories of data" due to their more sensitive nature. Sometimes **we** will ask for or obtain special categories of information because it is relevant to **your** insurance policy or claim.

Where **we** refer to personal data, as set out in these notices, it is also deemed to include special category data, for example; medical conditions or convictions.

The information that **you** give **us** will be used by **us** and **your insurance intermediary** and anybody appointed by **us** or them for the purposes of providing **you** with a quotation with a view to entering into an insurance contract, administering **your** insurance policy or a claim. It may be disclosed to reinsurers and to regulatory authorities for the purposes of administering **your** insurance policy or claim, as well as monitoring compliance with regulatory requirements.

Where this happens, **we** will ensure that anyone to whom **we** send **your** information agrees to treat it with the same level of protection as if **we** were dealing with it.

If **you** provide personal data on behalf of or about another person, **you** confirm that they have given **you** permission to give the information to **us** and **your insurance intermediary** and that **we** and they may process it.

We and **your insurance intermediary** may undertake checks against publicly available information (such as DVLA records for MyLicence checks, electoral roll, county court judgements, bankruptcy orders or repossessions). These checks may be made when **you** take out insurance with **us** or if **you** make a claim and the information shared with anyone acting on **our** behalf to administer **your** insurance policy or a claim (e.g. loss adjustors or investigators).

Credit Searches

To help **us** prevent fraud and to check **your** identity, **we** and **your insurance intermediary** may search files made available to **us** by credit reference agencies, who may keep a record on that search.

How we will use your data

Underwriting Purposes

We will examine the potential risk in relation to **your** prospective or current policy (including anyone else likely to be involved, for example **your** age and the age of any other prospective drivers), so **we** can:

- consider whether to accept the relevant risk;
- make decisions about the provision and administration of insurance policies and related services for **you** (and members of **your** household);
- validate **your** claims history (or the claims history of any person likely to be involved in the insurance policy or claim) at any time, including upon application for insurance, in the event of an accident or a claim, or at a time of renewal.

DVLA

This paragraph applies where **you** have agreed **we** may access Driver & Vehicle Licensing Agency 'DVLA' records:

Information will be collected from **you** to enable **us** to examine the potential risk in relation to **your** policy so **we** can provide **your** (or that of any person covered by this policy for whom **we** hold details) Driving Licence Number ("DLN") to the DVLA to confirm **your** (or that of any person covered by this policy for whom **we** hold details) licence status, entitlement and relevant restriction information, in addition to endorsement/conviction data. Searches may be carried out prior to **you** purchasing cover and, in the event **you** purchase a policy, at any point throughout the duration of **your** insurance policy including at the mid-term adjustment and renewal stage(s). A search of the DLN with the DVLA should not show a footprint against **your** (or that of any person covered by this policy for whom **we** hold details) driving licence. For details relating to personal information held about **you** by the DVLA, please visit www.dvla.gov.uk.

Motor Insurance Database

Information relating to **your** insurance policy will be added to the Motor Insurance Database ("MID") managed by the Motor Insurers' Bureau ("MIB"). The MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to, but including:

- Electronic Licensing;
- Continuous Insurance Enforcement;
- Law enforcement (prevention, detection, apprehension and or prosecution of offenders);
- The provision of government services and or other services aimed at reducing the level and incidence of uninsured driving;
- If **you** or anyone covered by this policy are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and or the MIB may search the MID to obtain relevant information;
- Persons (including his or her appointed representatives), pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds **your** correct registration number. If it is incorrectly shown on the MID **you** are at risk of having **your** vehicle seized by the Police.

You can check that **your** correct registration number details are shown on the MID at www.askmid.com. **You** should show these notices to anyone insured to drive the vehicle covered under this insurance policy.

Claims Management Purposes

In the event of a claim, **we** may need to disclose personal information with any other party involved in that claim, such as third parties involved in the incident, insurers, solicitors or representatives and medical teams (either relating to third parties or appointed by **us**), the Police or other investigators. **We** may also have to investigate **your** claims and conviction history.

Management Information Purposes

We will analyse insurance and other markets for the purposes of: risk assessment, performance reporting, portfolio assessment and management reporting.

Anti-fraud Purposes

Fraud prevention and detection

In order to prevent and detect fraud **we** may at any time:

- Share information about **you** with other organisations and public bodies including the Police; and/or
- Undertake credit searches and additional fraud searches; and/or
- Check and/or file **your** details with fraud prevention agencies and databases, and if **you** give **us** false or inaccurate information and **we** suspect fraud, **we** will record this.

We and other organisations may also search these agencies and databases to:

- Help make decisions about the provision and administration of insurance, credit and related services for **you** and members of **your** household; and
- Trace debtors or beneficiaries, recover debt, prevent fraud and to manage **your** accounts or insurance policies; and
- Check **your** identity to prevent money laundering, unless **you** furnish **us** with other satisfactory proof of identity.

We can, on request, supply further details of the databases **we** access or to which **we** contribute.

Claims history

Under the conditions of **your** policy **you** must tell **us** about any insurance related incidents (such as fire, water damage, theft or an accident) whether or not they give rise to a claim. When **you** tell **us** about an incident **we** will pass information relating to it to industry databases.

We may search the following databases when **you** apply for insurance, in the event of any incident or claim, or at time of renewal of **your** insurance policy (if applicable), to validate **your** claims history or that of any other person or property likely to be involved in the insurance policy or claim; this includes, but is not limited to:

- Claims and Underwriting Exchange (CUE)
- Motor Insurers Anti-Fraud & Theft Register (MIAFTR)

How your data will be processed

Insurance agencies and industry databases

We may pass information to the Claims and Underwriting Exchange Register (CUE) and the Motor Insurers' Anti-Fraud and Theft Register (MIAFTR), run by the Motor Insurers' Bureau (MIB). The aim is to help **us** to check information provided by **you** and also to prevent fraudulent claims. These registers may be searched in considering any application of insurance in connection with the policy.

We will pass any information relating to any incident (such as an accident or theft), which may or may not give rise to a claim under this insurance policy and which **you** have to notify **us** of in accordance with the terms and conditions of this insurance policy, to the relevant registers.

Other insurers

We may pass information about **you** and this insurance policy to other insurance companies with whom **we** reinsure **our** business or who are dealing with a claim made under this policy. In addition, information may be passed to other insurance related organisations in common with industry practice. Such companies may be located in countries outside the UK and Gibraltar but within the European Economic Area ("EEA").

Information on products and services

Where **we** have relevant consent, **we** may use the details **you** have provided to send **you** information about **our** other products and services or to carry out research. **We** may contact **you** by letter, telephone or e-mail. Please be reassured that **we** won't make **your** personal details available to any companies other than those that are contracted by **us** to provide services relating to **your** insurance contract with **us**. If **you** would prefer not to receive information from **us** or those companies who provide services on **our** behalf, simply tell **our** service provider when **you** call or write to them at:

Your insurance intermediary

In the event that **we** are unable to continue to trade with **your insurance intermediary** because they have ceased to trade through bankruptcy or liquidation, or in the event that their relevant FCA authorisation is revoked, **we** reserve the right to pass **your** insurance policy and all details on to another intermediary. If **you** do not wish for this to happen then please put **your** request in writing to **us**.

How long we will keep your data

We will keep **your** personal information for as long as reasonably necessary to fulfil the purposes set out in this notice and to comply with **our** legal and regulatory obligations. **We** have a detailed retention policy in place which governs how long **we** will hold different types of information for. The exact time period will depend on the purpose for which **we** collect that information, for example:

- Quotes and Policies: 7 years
- Claims: 7 years
- Complaints: 7 years

In some circumstances depending on the nature of **your** policy and any claims made under it, data may be retained for a further period. It is retained for as long as a potential claim might be made or whilst a claim is being processed.

Your rights and your personal data

You are entitled to receive a copy of the information **we** hold about **you**. A request for personal data is free, unless the request is manifestly unfounded or excessive, in which case a reasonable administration fee may be charged.

We take reasonable steps to ensure that the information **we** hold about **you** is accurate and where necessary up to date and complete. **You** are entitled to ask for any inaccurate personal data held by **us** to be rectified. **You** are entitled, in certain circumstances, to request that **your** personal information held by **us** is erased (subject to meeting certain criteria). Both of these rights are subject to **our** legal obligations under the regulations.

You have the right to restrict or object to the processing of **your** personal data, subject to **our** legal obligations under the regulations. Please note in some circumstances **we** will not be able to cease processing **your** information, for example if **you** have a live insurance contract with **us** or an ongoing claim under **your** insurance contract.

You have the right to data portability which allows **you** to obtain the information previously provided to **us**, in a structured, commonly used and machine readable format. **You** have the right to request for this data to be transmitted to another data controller or processor, where this is possible.

You have the right to object to the processing of **your** personal data in respect to direct marketing or on grounds relating to **your** particular situation at any time.

Guidance Notes

This part explains where cover does not apply.

We do not have to provide cover or settle claims under this section if any person claiming can claim for the same loss from any other insurance.

Guidance Notes

Under this section we will provide cover when your vehicle suffers loss or damage (less any excess you must pay) caused by the events shown opposite.

These are the ways in which we may settle your claim.

The market value of the insured vehicle in the event of a total loss will be based on Industry Valuation Guides.

In the event of the insured vehicle being a total loss it becomes our property.

This section restricts the amount we will pay if the parts needed to repair the vehicle are unavailable.

We will not pay the cost of any repair or replacement which improves the insured vehicle.

If the insured vehicle suffers damage covered by the policy, we will pay the cost of removing it to the nearest approved repairer.

Section 2: Loss of or damage to the Insured vehicle

This section only applies if the cover shown on your Schedule is Comprehensive.

We will cover **you** against loss or damage to the **Insured vehicle** (less any **Excess** that applies) caused accidentally or as a result of malicious damage or vandalism. Loss or damage more specifically covered under Section 3 of this policy is excluded.

Cover also applies under this section while the **Insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

Under this section we may either:

- pay for the damage to be repaired, or
- with **your** agreement provide a replacement vehicle, or
- pay an amount of cash equivalent to the loss or damage

The most we will pay is the lower of:

- the **Market value** of the **Insured vehicle** immediately before the loss, or
- the cost of repairing the **Insured vehicle**.

If the **Insured vehicle** was not first registered from new in the United Kingdom **we** will not pay more than the purchase price paid by **you** at the time that **you** purchased the vehicle.

If the **Insured vehicle** is the subject of a Hire Purchase Agreement, payment will be made to the owner whose receipt shall be a discharge of any claim under this section.

If the **Insured vehicle** is deemed to be beyond economical repair the damaged vehicle becomes **our** property once a claim is met under the policy. **You** must send **us** the vehicle registration document, MOT certificate and the **Certificate of Motor Insurance** for the **Insured vehicle** and give **us** free access to recover the **Insured vehicle** before **we** are able to meet the claim.

Repairs

If parts required for repairing the **Insured vehicle** are not available in the United Kingdom **our** liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in the United Kingdom.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair the **Insured vehicle**. These parts will be subject to the **Approved repairer's** guarantee.

We will not pay the cost of importing parts that are not available in the United Kingdom.

We will not pay the cost of any repair or replacement which improves the **Insured vehicle** or its accessories to a better condition than they were in immediately before the loss or damage. If this does happen **you** must make a contribution towards the cost of repair or replacement. **You** may be required to contribute to the cost of replaced items such as exhausts or tyres.

Protection and Recovery

If the **Insured vehicle** cannot be driven following an incident leading to a valid claim under this section, **we** will pay:-

- the cost of its protection and removal to the nearest **Approved repairer**, competent repairer or place of safety, and
- the reasonable cost of re-delivery to **your** home or business address within the United Kingdom after the completion of repairs, and
- the cost of storage of the **Insured vehicle** incurred with **our** written consent.

If the **Insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

You should remove **your** personal belongings from the **Insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **Insured vehicle** to an alternative repairer or place of safety at any time in order to keep the cost of the claim to a minimum.

Excess

You will be responsible for paying the amount shown on the **Schedule** in respect of any claim relating to loss of or damage to the **Insured vehicle**.

Young and Inexperienced driver excesses

In addition to the amounts of **Excess** shown on **your Schedule** you will be responsible for paying the following amounts while the **Insured vehicle** is being driven by or is in the charge of the categories of driver listed below:

Age of person driving or last in charge of the vehicle at the time of loss or damage	Amount of Excess
Aged 20 years and under	£350

● who holds an international driving licence, or	£150
● who has held a full driving licence to drive a commercial motor vehicle issued either in a country within the Geographical limits or a member country of the European Union but for less than one year	

Guidance Notes

An excess is the amount you must pay towards a claim for loss of or damage to the insured vehicle and/or fitted accessories (where applicable).

The excess is increased if the insured vehicle is being driven by a young or inexperienced driver.

Guidance Notes

Under this section we will provide cover when your vehicle suffers loss or damage by fire or theft (less any excess you must pay).

Fire damage must be caused by flames. Charring of overloaded wiring is not covered.

These are the ways in which we may settle your claim.

The market value of the insured vehicle in the event of a total loss will be based on Industry Valuation Guides.

In the event of the insured vehicle being a total loss it becomes our property.

This section restricts the amount we will pay if the parts needed to repair the vehicle are unavailable.

We will not pay the cost of any repair or replacement which improves the insured vehicle.

Section 3: Loss of or damage to the Insured vehicle by fire or theft

This section only applies if the cover shown on your Schedule is Comprehensive or Third party fire and theft.

We will cover you against loss of or damage to the **Insured vehicle** (less any **Excess** that applies) caused by fire, lightning, self ignition, explosion, theft or attempted theft.

Cover also applies under this section while the **Insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

Under this section we may either:

- pay for the damage to be repaired, or
- with **your** agreement provide a replacement vehicle, or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay is the lower of:

If the **Insured vehicle** is the subject of a Hire Purchase Agreement, payment shall be made to the owner whose receipt shall be a discharge of any claim under this section.

If the **Insured vehicle**

- is stolen and has not been recovered at the time of settlement of **your** claim, or
- is deemed to be beyond economical repair

the damaged vehicle becomes **our** property once a claim is met under the policy. **You** must send **us** the vehicle registration document, MOT certificate and the **Certificate of Motor Insurance** for the **Insured vehicle** and give **us** free access to recover the **Insured vehicle** before **we** are able to meet the claim.

Repairs

If parts required for repairing the **Insured vehicle** are not available in the United Kingdom **our** liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in the United Kingdom.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair the **Insured vehicle**. These parts will be subject to the **Approved repairer's** guarantee.

We will not pay the cost of importing parts that are not available in the United Kingdom.

We will not pay the cost of any repair or replacement which improves the **Insured vehicle** or its accessories to a better condition than they were in immediately before the loss or damage. If this does happen **you** must make a contribution towards the cost of repair or replacement. **You** may be required to contribute to the cost of replaced items such as exhausts or tyres.

Protection and Recovery

If the Insured vehicle cannot be driven following an incident leading to a valid claim, **we** will pay:

- the cost of its protection and removal to the nearest **Approved repairer**, competent repairer or place of safety, and
- the reasonable cost of re-delivery to **your** home or business address in the United Kingdom after the completion of repairs, and
- the cost of storage of the **Insured vehicle** incurred with **our** written consent.

If the **Insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

You should remove **your** personal belongings from the **Insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **Insured vehicle** to an alternative repairer or place of safety at any time in order to keep the cost of the claim to a minimum.

Excess

You will be responsible for paying the amount shown on the **Schedule** in respect of any claim relating to loss of or damage to the **Insured vehicle** caused by fire, lightning, self-ignition, explosion, theft or attempted theft.

Guidance Notes

If the insured vehicle suffers damage covered by the policy, we will pay the cost of removing it to the nearest approved repairer.

An excess is the amount you must pay towards a claim for loss of or damage to the insured vehicle and/or fitted accessories (where applicable).

Guidance Notes

There are circumstances where cover under these sections does not apply. They are shown opposite.

Loss of or damage to radios, cassette and CD players is covered but only up to the fixed amount shown opposite. This limit is the maximum amount we will pay before your excess has been deducted.

You must take all reasonable measures to avoid loss or damage.

You must remove your ignition key and lock your vehicle whenever you leave it even if only for a short period of time e.g. at a petrol station.

Vehicle thieves often steal the keys first especially if the vehicle has an immobiliser and break into premises just to access keys to steal the vehicle. Always keep keys secure even inside your home or office (do not leave keys where a burglar can easily find them such as on a shelf or hook).

The cost of sign writing and specialist paintwork is covered but only up to £250, which is also subject to the deduction of any excess.

Exceptions to Sections 2 and 3:

These sections of **your** insurance policy do not cover the following:

- The amount of any **Excess** shown on the **Schedule** or in this policy document or both.
- Any amount greater than £500 in respect of any one occurrence for loss or damage caused to **Audio equipment** permanently fitted to the **Insured vehicle**. This amount is also subject to the deduction of any **Excess** in the **schedule**, this policy document or both.
- VAT if **you** are VAT registered.
- Indirect losses, which result from the incident that caused **you** to claim. For example **we** will not pay compensation for **you** not being able to use the **Insured vehicle**.

- Depreciation or loss of value following repairs.
- Loss of or damage to the **Insured vehicle** arising from the vehicle being taken by a person:
 - 1) who is not permitted to drive under the **Certificate of Motor Insurance**, and
 - 2) who is also **your** employee or a member of **your** family or household or in a close personal relationship with **you** or **your** family or household unless **you** prove that the person intended to permanently deprive the owner of the vehicle.
- Loss suffered **due** to **any** person obtaining any property by fraud or deception, for example a purchaser's cheque not being honoured by their bank.
- Loss or damage to the **Insured vehicle** where possession of it is gained by deception on the part of someone pretending to be a buyer or someone pretending to act on behalf of a buyer.
- Loss or damage caused by pressure waves from aircraft or any flying object.
- Damage to tyres caused by braking, punctures, cuts or bursts.
- Loss of or damage to vehicle keys, keyless entry cards, lock or ignition activators, alarm or immobiliser activators.

- Loss of or damage to the **Insured vehicle** or anything inside it arising from theft or attempted theft when:
 - ignition keys have been left in or on the **Insured vehicle**, or

- Loss or damage caused by an inappropriate type or grade of fuel being used.
- Confiscation, requisition or destruction by or under the order of any Government or Public or Local Authority.

- Loss of or damage to any item of sound reproduction, communications, navigation or in-vehicle entertainment equipment other than to **Audio equipment** as defined elsewhere in this policy document.
- Loss or damage whilst the **Insured vehicle** is being driven by or is in the charge of any person who has been convicted of a previous drink/drugs offence and:
 - 1) is subsequently convicted of a further drink/drugs offence as a result of the incident leading to a claim under this policy, or
 - 2) is subsequently proven to have been under the influence of drink/drugs at the time of the incident leading to a claim under this policy.
- Loss of or damage to taxi metering or ticketing equipment.

There are certain circumstances which are not covered and these are shown opposite.

Guidance Notes

This section provides cover for damage to glass in the front windscreen of your vehicle.

The amount of excess shown on the Schedule applies to cover for glass damage unless the front windscreen can be repaired

Section 4: Medical Expenses

This section applies only if the cover shown on your Schedule is Comprehensive.

We will pay up to £250 per person for medical expenses for anyone who is injured while they are in the Insured vehicle.

Section 5: Windscreen Damage

We may at our option use parts that have not been supplied by the original manufacturer when replacing front windscreens as a result of all claims under this section.

Using our approved replacement service

We will cover you for the full cost of repair/replacement of a broken glass front windscreen for the Insured vehicle less any Excess that applies provided that the work is carried out by our approved replacement service.

In the event of an incident likely to give rise to a claim for a damaged glass front windscreen please contact our approved replacement service as follows:

Using an alternative windscreen supplier

If you do not use our approved replacement service cover is limited to an amount of £225, which is also subject to the deduction of any Excess at applies, for any one claim.

Exceptions to Section 5

This section of your insurance policy does not cover the following:

- You will be required to pay the Excess shown on the Schedule in respect of each claim under this section for the replacement of a front windscreen. This Excess will not apply where the front windscreen can be repaired and does not require replacement.
- We will not pay claims for the repair or replacement of rear or side windscreens/windows, sunroofs, glass roofs, panoramic windscreens, lights/reflectors or folding rear windscreen assemblies under this section.
- We will not pay for more than two windscreen claims under this section, which are made in any one annual period of insurance.
- We will not pay claims for mechanical items associated with window mechanisms of the Insured vehicle under this section.
- We will not pay the cost of importing parts or items of replacement glass that are not available in the United Kingdom.
- If an incident occurs involving the breakage of multiple items of glass we will not pay for any replacement glass under this section.

Section 6: Provision of a Courtesy Car

This section applies only if the cover shown on your Schedule is Comprehensive.

If a valid claim is made under this policy, and the **Insured vehicle** is to be repaired by one of our **Approved repairers**, the repairer will provide **you** with a **Courtesy car** (subject to availability) for the duration of the repairs. Please note the duration of repairs will be deemed complete, and therefore cover under this section will cease, once the satisfaction note has been signed for release of the **insured vehicle**, unless **we** agree otherwise in writing.

If the parts required to repair the **Insured vehicle** are not immediately available to our **Approved repairer** **we** reserve the right to withhold the provision of a **Courtesy car** until such time as the necessary parts are available and repair work can proceed.

If the **Insured vehicle** is accepted by our **Approved repairer** as being a repairable proposition, but it is subsequently deemed by **us** to be beyond economical repair, **we** reserve the right to withdraw the **Courtesy car** immediately.

The **Courtesy car** can only be provided subject to availability and will be supplied subject to our **Approved repairer's** standard terms and conditions, for use in the United Kingdom only. **Our** aim is to keep **you** mobile rather than the **Courtesy car** being a replacement for the **Insured vehicle** in terms of status or performance. The **Courtesy car** will normally be a small hatchback of less than 1200cc.

While **you** are in possession of the **Courtesy car**, cover for loss of or damage to the car will be provided by this policy in accordance with its terms and conditions including any **Endorsements** which apply and subject to any **Excesses** for which **you** are responsible. **We** will not make a charge for this cover.

Any accidents or losses while **you** are in possession of the **Courtesy car** must be reported to **us** immediately.

Driving of the **Courtesy car** will be limited solely to those persons shown as entitled to drive on **your Certificate of Motor Insurance** and who are not excluded from driving by **Endorsement**. Use of the **Courtesy car** will be restricted to the use described on the **Certificate of Motor Insurance** however any use for hire and reward is excluded.

You are not required to inform **us** when **you** are supplied with a **Courtesy car** from our **Approved repairer**.

You must return the **Courtesy car** to our **Approved repairer** either when **we** ask **you** to do so or if this insurance falls due for renewal and **you** fail to renew it with **us**.

Guidance Notes

If your cover is comprehensive the policy may provide you with a courtesy car to keep you mobile while the vehicle insured by the policy is being repaired.

The courtesy car will normally be a small hatchback rather than a 'like for like' replacement. The aim is to keep you mobile whilst repairs are being carried out. Use for Hire and Reward is EXCLUDED.

A courtesy car is not available if the vehicle insured is a total loss i.e. cannot be repaired.

Guidance Notes

It is possible that if a vehicle owned by your employee is being used for your business and is not adequately insured a claim may be redirected against you. As long as you checked the employee's insurance was valid before allowing him/her to drive we will meet any third party claims if for some reason the employee's policy fails.

You must make the limitations relating to permitted use clear to your employees for this cover to apply.

Section 7: Contingent Liability

We will cover **you** for **your** legal liability to other people as defined in Section 1 of this Motor Fleet Insurance Policy (but not the legal liability of the driver) while any one of **your** employees uses a vehicle other than an **Insured vehicle** on **your** business and the vehicle:

- does not belong to **you**, and
- is not provided by **you**.

Exceptions to Section 7

This section of the policy does not apply;

- unless **you** have given permission to **your** employee to use the vehicle on **your** business, and
- unless **you** have taken all reasonable steps to ensure that there is in force a valid separate contract of insurance providing **you** with cover for such use, and
- if **you** are insured for the same legal liability by any other insurance policy.

There is no cover under this section for loss of or damage to the vehicle being used by **your** employee.

Section 8: Joint Liability

You and each of **your** associated and/or subsidiary companies will be regarded as third parties to one and other in respect of claims under section 1 of this Motor Fleet Insurance Policy. This undertaking is given on the basis that if the claim relates to a collision between two vehicles each vehicle is insured in its own right.

Section 9: Unauthorised Use

In the same terms that **we** insure **you** under this Motor Fleet Insurance Policy **we** will also cover **you** if the **Insured vehicle** is being used or driven without **your** knowledge or consent for any purpose not permitted by **your Certificate of Motor Insurance**.

Cover is only provided under this section on the understanding that **you** take all precautions necessary to ensure that all persons permitted to drive the **Insured vehicle** are made aware of the limitations of use as stipulated on **your Certificate of Motor Insurance**.

Section 10: Foreign use of the Insured vehicle

Legal minimum insurance

While the **Insured vehicle** is

- in any country which is a member of the European Union (EU), or
- any other country in respect of which the European Commission is satisfied has made arrangements to meet the requirements of Article 8(1), second subparagraph of EU Directive 2009/103/EC relating to civil liabilities arising from the use of motor vehicles

This policy provides the minimum level of cover in respect of liability which is legally insurable in the country concerned. This legal minimum insurance does not include cover for loss of or damage to the **Insured vehicle**.

Full policy cover

Private Motor Cars and Commercial Vehicles not exceeding 3.5 ton Gross Vehicle Weight which are not used for hire or reward purposes

In addition to the legal minimum cover shown above, this policy may be extended to provide the cover shown in **your Schedule** to any member country of the EU and also Andorra, Croatia, Gibraltar, Iceland, Liechtenstein, Monaco, Norway, San Marino and Switzerland provided that:

- **you** notify **your Insurance intermediary** before **your** journey abroad, and
- the use of the **Insured vehicle** abroad is limited to no more than 45 days in total in any one annual **Period of insurance**, and
- **you** or any permitted driver are normally resident within the **Geographical limits** of this policy, and
- the **Insured vehicle** will not be used for the carriage of goods or passengers for hire or reward whilst outside the United Kingdom (this is regardless of whether the **Certificate of Motor Insurance** permits this use).

Commercial Vehicles exceeding 3.5 ton Gross Vehicle Weight and any vehicle which is used for hire or reward purposes regardless of type or weight

If before departure **you** notify **us** via **your Insurance intermediary**, obtain **our** agreement, pay any extra premium and accept any additional terms that **we** may require, **we** will extend this insurance to provide the cover shown on **your Schedule** while the **Insured vehicle** is in:

- any member country of the EU, or
- Andorra, Croatia, Gibraltar, Iceland, Liechtenstein, Monaco, Norway, San Marino or Switzerland. Any agreement to issue cover for these categories of vehicle whilst abroad is at **our** sole discretion.

If the policy is extended to provide the cover shown on **your Schedule** whilst abroad:

- insurance is automatically provided on the **Insured vehicle** while it is being transported (including loading and unloading) between ports in countries where **you** have cover, provided the **Insured vehicle** is being transported by rail or a recognised sea route of not more than 65 hours, and
- **we** will pay the reasonable cost of delivery of the **Insured vehicle** to **you** after repairs in the country in which damage was sustained, or to **your** home or business address if the damage cannot be repaired economically by the intended time of **your** return to the United Kingdom or if the **Insured vehicle** is stolen and recovered after **your** return to the United Kingdom, and
- **we** will pay the amount of foreign customs duty for which **you** are liable as a direct result of loss or damage to the **Insured vehicle** preventing its return to the United Kingdom.

The exceptions applying to sections 1, 2 and 3 of this insurance also apply to this section.

Guidance Notes

This section describes the cover available if you take your vehicle abroad.

Restrictions apply as far as full policy cover is concerned so, before travelling abroad, please contact your insurance intermediary.

We will only consider extending this insurance to countries which are covered by the International Green Card system

Guidance Notes

If you enter into a contract to do work for a principal, and the contract requires an indemnity to be provided to your principal, this insurance will cover you.

This section provides full policy cover if you allow your employee to use his/her own car for your business.

Your employee must have his/her own insurance even though this might not include business use.

Section 11: Indemnity to principals

In the same terms in which **we** insure **you** under Section 1 of this Motor Fleet Insurance Policy **we** will extend cover to include any liability assumed by **you** in connection with the **Insured vehicle(s)** under any contract with a principal for the execution of work or the provision of services.

Exceptions to Section 11

This section of **your** Motor Fleet Insurance Policy does not provide cover:

- if **we** do not have full control over the conduct of any claim which occurs, or
- for death of or any injury to any person in the employ of the principal arising out of and in the course of their employments except for the cover **we** must provide under the Road Traffic Acts or any other legislation applicable to motor insurance, or
- for any liability which attaches to the principal under any agreement which would not have attached in the absence of any such agreement, or
- for any sum in excess of the amount required to indemnify the principal, or
- for any liability resulting from the negligence of any person other than **you**, **your** business partner, director or employee.

Section 12: Occasional business use

This insurance will apply to any private motor car which does not belong to **you** and is not hired or lent to **you** whilst such private motor car is being used with **your** authority by any one of **your** employees in connection with **your** business.

Cover is only provided under this section on the basis that **your** employee has insured the vehicle in its own right.

General Conditions

THESE GENERAL CONDITIONS APPLY TO THE WHOLE OF THE INSURANCE

1. Your duties

We will only provide the cover described in this insurance policy if:

- the premium has been paid for the current **Period of insurance**, and
- **you** and anyone claiming under this insurance has met all the conditions contained in this policy document, the **policy Schedule, Certificate of Motor Insurance** and any **Endorsements** applied to the insurance, and
- the information **you** provided or which was provided on **your** behalf and which is based on a fair presentation of risk before entering into an insurance contract, or contained in any declaration is, to the best of **your** knowledge and belief, correct and complete, and
- **you** provide us with all co-operation and assistance throughout the duration of this policy, for example if **we** request information or documentation from **you** when **you** purchase cover, make changes, submit a claim or renew, and **you** take all precautions to prevent loss or damage occurring and the extent of any loss or damage

Your premium is based on information **you** supplied at the start of the insurance, subsequent alteration or renewal. **You** must tell **us** via **your Insurance intermediary** immediately of any change to that information. Some non-exhaustive examples are any changes to the **Insured vehicle** from the manufacturer's standard specification, any change of address (including where vehicles are kept) or if **you** or any drivers covered by the policy sustain a motoring conviction.

You, or anyone acting on your behalf, when applying for cover, renewing or amending the policy, or making a claim, must not commit a fraudulent act, submit a false document or make a false or exaggerated statement. You must also not amend or alter any document provided by us under this policy. In the event you do not adhere to any of these requirements, cover under this policy may be declared void or otherwise cancelled immediately and you will not be entitled to a refund of premium. Any claims made against the policy will also not be paid. Where the full premium has not been paid, for example your payment has failed, been subsequently recalled or you have only paid a deposit, we will seek to enforce payment of the full premium balance.

If you or anyone acting on your behalf at any time acts abusively or makes inappropriate comments (for example but not limited to those of a sexual nature), to our staff or those of our service provider or your intermediary, then cover will cease immediately. Where applicable, you will be provided with a refund of premium in accordance with General Condition 4.

2. Looking after the Insured vehicle

You or any permitted drivers are required to maintain the **Insured vehicle** in a roadworthy condition. **You** or any person in charge of the **Insured vehicle** are required to take all reasonable care to safeguard it and its contents from loss or damage, for example the vehicle should not be left unlocked and ignition keys should not be left in or on the vehicle when **you** are not in the vehicle, no matter how briefly.

We shall at all times be allowed free access to examine the **Insured vehicle**.

There must be a valid Department for Transport test certificate (MOT) in force for the **Insured vehicle** if one is needed by law. In the absence of a valid Department for Transport test certificate (MOT) all cover under sections 2 and 3 of this insurance is cancelled and of no effect.

3. Claims procedures

In the event of an accident or incident **you** must telephone the 24 hour claim line on 0345 3700 008 immediately or as soon as practicable but in any event within 72 hours/3 days (see page 2 of this policy document for further details). If **you** delay reporting a claim to **us** it may increase claim costs, which **you** will become liable to pay. It may also invalidate **your** right to claim. If the loss or damage is covered by the policy **our** appointed claims representatives will arrange for the vehicle to be removed to the nearest **approved repairer**, competent repairer or place of safety, and safeguard the vehicle and its contents.

We will not pay for further damage to the Insured vehicle if **you** drive it or attempt to drive it in a damaged condition.

If **your** claim is due to theft, attempted theft, malicious damage or vandalism, **you** must also notify the police and obtain a crime report number.

We have the right to remove the Insured vehicle at any time. If the vehicle is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of our choosing.

We shall have absolute discretion in the conduct of any proceedings or in the settlement of any claim and **you** must give us whatever co-operation, information and assistance is necessary.

We will not pay a claim if there is any other insurance in force which covers the same loss, damage or liability as this insurance.

If **you** owe **us** premium or claims monies under this, or any other policy **you** hold with **us**, **we** will deduct such monies from any valid claim which becomes payable under this policy. Such deductions may reduce or remove any liability **we** owe to **you**. In the event **your** debt is not extinguished or **we** are unable to deduct the amount owed for any reason, this condition does not prevent **us** from pursuing **you** separately for any balance owed.

4. Cancellation

Providing **you** have not committed or are not suspected of committing a fraudulent act, the following cancellation condition applies.

Where a fraudulent act has arisen or is suspected, **your** policy may be declared void or cancelled immediately and no refund will be provided.

General conditions (continued)

Cancellation by us – inappropriate behaviour

We or **our** duly authorised intermediary can cancel this policy immediately if **you** or anyone acting on **your** behalf at any time acts abusively or makes inappropriate comments (for example but not limited to those of a sexual nature), to **our** staff or those of **our** service provided or **your** insurance intermediary. Providing there have been no claims or incidents likely to give rise to a claim in the current **Period of insurance**, we will refund the premium relating to any unused portion of cover within the current **Period of insurance** on a pro-rata basis.

5. Total Losses

If as a result of a claim the **Insured vehicle** is determined to be a total loss, as long as there are at least 30 days cover remaining under **your** policy **you** will have 30 days from **our** payment of the total loss settlement to provide details of a replacement vehicle to **us**. If the vehicle is acceptable to **us** and **we** agree to provide cover, **you** will be notified of any additional premium required. **You** will not be entitled to any refund of premium as a result of the change.

6. Right of Recovery

If under the laws of any country in which this insurance applies, **we** have to make payments which but for those laws would not be covered by this policy, **you** must repay the amounts to **us**.

You or the person who caused the accident must also repay **us** any money **we** have to pay because of any agreement **we** have with the Motor Insurers' Bureau if such payment would not have been covered by the policy.

Any payment **we** make under this condition will mean that there will be no entitlement to a refund of premium if the policy is cancelled or declared void.

7. Motor Insurance Database (MID) and Continuous Insurance Enforcement

It is a condition of this insurance policy that **you** comply with the requirements of the 4th EU Motor Insurance Directive and supply details of all vehicles in **your** custody or control to **your** Insurance intermediary as soon as these vehicles come into **your** possession. **Your** failure to comply with these requirements may result in cancellation being invoked by **us** under General condition 4 of this policy.

Continuous Insurance Enforcement legislation also means that **your** vehicles must be insured at all times unless they have been declared by **you** as 'off the road' by way of a SORN declaration.

If there is no record on the MID showing **your** vehicle is insured, and **you** have not declared it as 'off road' (by completing a SORN), **you** will receive a letter warning **you** that **you** could face a fine, prosecution, and **your** vehicle could also be clamped, seized and ultimately, destroyed.

For peace of mind **you** can check that **your** vehicle(s) appear on the MID by going to the MID's website: www.askMID.com. This will avoid the inconvenience of **you/your** drivers being un-necessarily stopped by the police.

If **you** have insured **your** vehicle(s) with **us** and it/they do not appear on the MID then **you** should contact **your** insurance intermediary in the first instance to get the MID updated.

It is **your** legal obligation to make sure that **your** vehicle appears on the MID.

There is a legal requirement for you to notify us of vehicles as and when they come into your possession. Your failure to notify us will mean that no cover is in force and a prosecution may result.
